

## 8 x 35 Meter Controlled Water Softener

### What It Does

This unit removes hardness from your water and makes the water soft. Soft water is better for pipes, appliances that use water and saves you money on cleaners, detergents and repairs.

It is also Meter Controlled, meaning it only uses salt when you use water. Saving even more money.

### What You Get

- 1 off 255/760 Autotrol Valve
- 1 off 8"x35" Fibreglass Vessel
- 1 off 20L Softening Resin
- 1 off 75 Litre Salt Container
- 1 off 10" Prefilter Housing
- 1 off 80 Micron Washable Filter

Service cost average €70.00 annually on well water and €70 biannually on mains water.  
Salt cost €20.00 per person per year

\*Please note that this unit is recommended to you for your water at the time of testing, if the mineral content of your water changes over time it may be necessary for an upgrade or to invest in a new unit.
